Product Groups

Sensors

- Current sensors
- EX switches
- Flow sensors
- Foot switches
- Force sensors
- Gas sensors
- Hall-effect sensors
- Hydrogen sensors
- Micro & limit switches
- Oxygen sensors
- Particle sensors
- Position sensors
- Pressure sensors
- Speed sensors
- Toggle switches
- Temperature sensors
- Ultrasonic sensors

Safety Switches

- Belt alignment switches
- Electro-magnetic switches
- Emergency stop switches
- Hinge interlock switches
- Networked devices
- Non-contact switches
- Rope pull safety switches
- Safety limit switches
- Safety monitoring relays
- Safety sensors
- Tongue interlock switches
- Trapped key interlock systems
- Two hand control devices
- Stainless steel, IP69k, EX, RFID, OSSD, IO-Link, PROFIsafe, CIP Safety etc.
