

About Us

Teleson is a supplier specialized in sensors and safety switches for manufacturing companies. We help in the search, supply chain and support.

Together we make applications more reliable and better.

Brands

- Honeywell Sensing Solutions
- IDEM Safety Switches
- SST Sensing
- Linemaster Switch Coporation
- Pulsotronic
- PiL Sensoren
- Leuze
- Analytical Industries Inc. (All)
- Dynament
- Sensore Electronic
- Azbil Corporation
- Ingenieurbüro Heintl
- SenseAir

Save time in the search, supply chain and support

Reliable components from leading manufacturers

Save costs in procurement and the supply chain

Visiting Address & Warehouse

Teleson B.V.
Nevadadreef 26
3565 CB Utrecht
The Netherlands

Other Information

CoC: 30049768
VAT: NL001541134B01
EORI: NL001541134
IBAN: NL18 RABO 0394 4318 98
BIC (SWIFT): RABONL2U
Bank name: Rabobank Group
Bank address: Croeselaan 18
3521 CB Utrecht, The Netherlands

Product Groups

Sensors

- Current sensors
- EX switches
- Flow sensors
- Foot switches
- Force sensors
- Gas sensors
- Hall-effect sensors
- Hydrogen sensors
- Micro & limit switches
- Oxygen sensors
- Particle sensors
- Position sensors
- Pressure sensors
- Speed sensors
- Toggle switches
- Temperature sensors
- Ultrasonic sensors

Safety Switches

- Belt alignment switches
- Electro-magnetic switches
- Emergency stop switches
- Hinge interlock switches
- Networked devices
- Non-contact switches
- Rope pull safety switches
- Safety limit switches
- Safety monitoring relays
- Safety sensors
- Tongue interlock switches
- Trapped key interlock systems
- Two hand control devices
- Stainless steel, IP69k, EX, RFID, OSSD, IO-Link, PROFI-safe, CIP Safety etc.
