

Product groups

Sensors & Switches

Pressure sensors	Electrofication sensors
Position sensors	Radar sensors
Gas sensors	Ultrasonic sensors
Limit switches	Inclinationsensors
Micro switches	Strain gauge sensors
NDIR sensors	Touch sensors
Foot switches	Liquid level sensors
Force sensors	Control switches
Speed sensors	

Machine safety

Non contact switches	Two-hand control
Solenoid switches	Hinge switches
Emergency stop switches	Safety relais
Rope pull switches	Laser scanners
Safety limit switches	Light curtains
Trapped key systems	Optical sensors
Networked solutions	
Alignment switches	
Tonguq switches	

WHY

We want to help manufacturing companies improve their application and organization.

HOW

We provide support throughout the entire process, from sourcing and the supply chain to after-sales service.

WHAT

We specialize in components such as sensors and safety switches for manufacturing companies.

Representative for

Honeywell

IDEM Safety Switches

SST
a DwyerOmega brand

LINEMASTER

pulsoTRONIC
customized connectivity & sensors

PiLX
ULTRASCHALL-SENSORIK

Leuze

Senseair

DYNAMENT
INFRARED GAS SENSORS
a DwyerOmega brand

Analytical Industries Inc
a DwyerOmega brand

SEN SORF
a DwyerOmega brand
